

# JOHN TRIGG ESTER LIBRARY

---

May 10, 2015

Dear Board of Directors,

I am resigning from the board, primarily for reasons of ill health. I feel I am no longer a good president, and so offer my resignation with this letter.

I will continue to volunteer for the library, and am interested primarily in serving as a grantwriter for the new building, working on cataloging and gardening, and serving as a member of the Friends of the Ester Library. I will assist for a short while with the website, blog, and Facebook page, until a new person is found to master the sites.

I am also happy to assist with fundraisers, but not nearly to the extent that I have in the past, where I was one of the chief organizers. I will follow through with my current obligations on the Tape & Tarp Ball, of course. And I am also especially interested in the JTEL endowment.

All of these I will pick and choose from as time and interest strike me, so I cannot be counted on as I once was for my efforts, and my focus will be on my health and my home for a long time to come.

Sincerely,

Deirdre Helfferich

founder, Ester Community Library 1999

president, John Trigg Ester Library 2009 – 2011, 2013 – present
